*If his offering be a Burnt Sacrifice of the herd, let him offer a male without blemish: he shall offer it of his own voluntary will at the door of the Tabernacle of the congregation before the LORD (Leviticus 1:3).*

There were five great Offerings in the Levitical Law: the Burnt Offering, the Meal Offering, the Trespass Offering, the Peace Offering, and the Sin Offering (Leviticus Chapters 1-7). God only accepted such offerings as He Himself ordained. The worshippers, imperfect and sinful in himself, was accepted in the perfection of the Offering. The conscience under the old Levitical Law being a reflection of the Sacrifice remained imperfect because Levitical Sacrifices were imperfect. Christ's Sacrifice being perfect gives a perfected conscience, therefore, a peace that nothing can destroy.

The Burnt Offering typified Christ offering Himself without spot to God. It was a voluntary Offering. So Christ delighted to do God's Will. He laid down His Life of Himself. Therefore, it is that the victim was a male without blemish. This signified the spotless Perfection of Christ's Manhood. The entire Sacrifice was burned on the Altar, that is, if was wholly for God. Such was the devotion of Christ's Heart.

God can do amazing things through prayer!

The skin of the Sacrifice was given to the Priests. Only the mere surface of Christ's offering up of Himself to God can be apprehended by the Believer. The infinite depths of that great surrender are beyond human understanding.

The inwards of the Sacrifice were washed with water, so Christ's Emotions, as well as His Ways and Words, when judged by the Word of God, were found to be sinless. With respect to Him, all within and without had no blemish. Therefore, Faith in Him Alone and what He did for us at the Cross brings about acceptance by God.
